SKILLS

- Front end coding
- Backend coding
- Database administration
- Graphic designing
- Hardware and software maintenance
- Effective Communication
- Critical Thinking
- Teamwork
- Committed to quality
- Hardworking

LANGUAGES

- English (Fluent)
- French (Fluent)

REFERENCE

References available on demand

PROFILE

Enthusiastic Software Developer with a strong foundation in PHP and modern development methodologies. Proven ability to take a concept from ideation to deployment through a portfolio of independent projects. Passionate about writing clean, maintainable code and staying at the forefront of web development. I am looking to use my technical grit and self-study habits to contribute to a fast-paced engineering environment

PROJECTS

Vote Secure

Lead Developer

- Dynamic UI Development: Developed responsive, user-centric interface using HTML5, CSS3, and BOOTSTRAP, ensuring a seamless voting experience across desktop and mobile devices.
- Server-Side Logic: Engineered a robust backend in PHP to handle complex voting workflows, including user eligibility verification and real-time ballot processing.
- Data Integrity: Engineered a relational schema in MySQL that enforces "one person one vote" logic through unique constraints.
- Security: Protected the system against common vulnerabilities by implementing prepared statements and PDO to prevent SQL injection, alongside password_hash for secure credential storage.

Online Pet Shop

Full-Stack Developer

- Pet management system: Developed a dynamic catalog using PHP and MySQL, enabling efficient retrieval and filtering of pets across multiple categories.
- Responsive frontend: Used Bootstrap and CSS to create a mobile first interface with interactive pet catalogs and real-time form validation via JavaScript
- Database normalization: Designed a relational database with normalized tables for pets, users and categories, utilizing foreign keys to ensure data consistency and referential integrity.

EDUCATION

HND SOFTWARE ENGINEERING 2023 - 2025

COMPUTER ENGINEERING | INUBIL

GPA: 2.77 / 4.0

GCE ADVANCED LEVEL 2020 - 2021

GBHS MBOUDA-BANOCK

POINTS: 17 / 25
